OMC Board Members Election

New officers for the year 2017-2019 are needed

President's Note

Dear Teachers,

We are approaching our election season. As you all know, our officers serve for 2 years. If you are interested in becoming an officer, please submit a short resume and the position you would like to hold to our secretary Josephine Hagan at josie15@cfl.rr.com.

Being a member of our club has several benefits. Here are just a few of them:

1. Great source of advertisement for Piano Teachers and their music studios through our website
2. Monthly Community Recital Opportunities for students
3. Summer Camp Scholarships
4. Award Competitions for all members of the club
5. Master Classes
6. Social gatherings
7. Reduced Piano/ Strings recital liability insurance fee through NFMC

We hope that you will find your calling in taking an active part of a wonderful organization and help continue this tradition for years to come.

In Harmony,

Balina Smith, OMC President
