About Us

Orlando Music Club serves the greater Orlando area by encouraging and recognizing musical excellence. Since its establishment in 1975, OMC has been a leader in the Orlando music community by:

* Providing music teachers of all instruments, including piano, strings, woodwinds, guitar, brass, harp, and voice, access to national festivals and competitive opportunities
* Facilitating master classes and teacher training in current pedagogy and materials
* Awarding approximately $3,000 in awards to outstanding local young musicians each year
* Offering music students access to performance opportunities throughout Central Florida
* Encouraging and supporting music in our schools and our community.

The Orlando Music Club is a Senior Club of the Florida Federation of Music Clubs (FFMC) and the National Federation of Music Clubs (NFMC).

Because of these associations, OMC members may enter their students in festivals and high-quality competitions, and they have access to NFMC and FFMC publications.

National Federation of Music Clubs

NFMC, founded in 1898, is the world's largest philanthropic music organization supporting American music and musicians. It is chartered by the United States Congress and is the only music organization member of the United Nations.

There are 6,000 NFMC-related clubs and organizations offering thousands of dollars in scholarship competitions yearly. Members are professional and amateur musicians, vocalists, composers, dancers, performing artists, music educators, students, generous benefactors and music lovers who are interested in creating a dynamic musical and cultural environment in their communities.

⇒ NFMC sponsors festivals, competitions, and concerts showcasing over 100,000 musicians each year.

⇒ NFMC works to ensure music continues to be an integral part of American education through its community-based advocacy efforts.

⇒ NFMC offers "music enthusiasts" friendships through club memberships and an opportunity to make a real difference in their community.

⇒ NFMC offers more than $750,000 in annual scholarship awards for music students of exceptional talent in the U.S.
