President's Note

Dear Members of OMC,

Our new year has started along with all the wonderful and exciting activities that we offer our community of musicians.

This year is the second of the 2-year service as an Orlando Music Club Officer. Dr. Yun-Ling Hsu continues as our Vice-President, Dr. Brian Bak as our Secretary, and Lisa Moore as our Treasurer. Hannah Yang will be instrumental in making events happen.

Please continue to encourage your students to participate and perform, so that they can gain experience whilst contributing to the musical community in Orlando.

I would like to encourage all teachers to check our website. We have several pages with great links to other useful sites. There is a link to 8notes.com that may be useful for your students learning music theory. Also, our calendar can be very informative for parents and students as well as for all of us. Please follow us on our Facebook page too!

Have a wonderful fall!

Jeannine Mongeon
